Youngstown State University | Youngstown, OH
Bachelor's of Fine Art | Graphic Design + Interactive Design

Experience

Berk Enterprises - Art Director | December 2021 - present
Overseeing all artwork production and processes, ensuring brand identities and integrity were maintained across all projects. Collaborating with all company departments and clients to create stock and custom artwork and product designs, including 3D modeling and graphics. Engaging in all phases of product design from concept to production. Managing all department concerns, streamlining workflows and supporting responsibilities.

Berk Enterprises - Graphic Designer | April 2014 - December 2021
Designed artwork for stock and custom food service disposable products, supporting distribution to restaurants as well as fair and amusement park industries. Created marketing and point of sale material, web-marketed advertisements, and annual product catalogs across several divisions. Produced 3D models and graphics, enabling rapid prototype 3D printing of product models and various 3D files.

The News Outlet - Graphic Designer | August 2013 - December 2013
Collaborated with journalists to create graphics that enhanced print and web stories, improving visual engagement. Produced graphics, logo designs, books, and other secondary projects, supporting diverse publication needs
